

Building Process Update

After discussions between Father Khanh, the Diocese, the Building Committee and the architects, a decision was made to delay the building expansion construction until January 2, 2018. Based on the new construction schedule, the ground breaking ceremony will occur on Sunday, December 31st.

The extended delay is due to the water damage experienced at several parishes as a result of Hurricane Harvey. We volunteered to delay our construction so that the construction company could assign a higher priority to repairing damaged churches. This delay will also provide an opportunity for our subcommittees to complete their tasks without having to rush.

Our Holy Trinity family is blessed to still have a place to worship. Let us keep all those parishioners without a church in our prayers.

For more information, visit Holy Trinity's Facebook page, www.facebook.com/HolyTrinityMB or the website at <http://htcc-mb.org>. You can also contact the Building Committee at htccbuilding@gmail.com with any questions, concerns, or comments. Thank you all for your time, talent, and treasure for the Faith of our Future!
